This Too Will Pass

By Carrie Newcomer
On the recording I use this tuning DADGCD
Below are the simple chords in standard tuning.

Verse 1
C F C G
Hold tight hold hands with me

C F C G
All is trouble just as far as you can see

F G Am
So here we are and here we stand

F G Am
So we'll stare it down just to prove we can

F G Am
and ride it out to the last

F G Am
It's true, This too will pass

Verse 2
C F C G
Small comfort when it goes so deep

C F C G
and you roll at night in fitful sleep

F G Am
I'll tell you what I know
F G Am
As sure as trouble comes Yeh, Trouble will go

F G Am
I'll say it though you didn't ask

F G Am
It's true, This too will pass

Bridge

F C
Lay it down lay it down right here
F G
All your sorrows, all your troubles and your fears

Can't tell you how it goes this far
Or explain why it gets so damn hard
 There are times that shine like jewels
And will be all the brighter for what you've been through
Hold those times tightly clasped
It's true, This too will pass

So out of the darkest place
and the hardest times you've had to face
We're more tender than some would believe
and we still find it hard to ask for what we need
But don't give it up to fast
It's true, This too will pass
